

Annual PLRS Christmas Dinner For Students

To Whom It May Concern;

As the Christmas season approaches, our thoughts turn toward the happiness that children experience during the holidays. We all would like to imagine that all of the children within the Pigeon Lake School community would experience the joys of the season...gifts, family and delicious food.

The Pigeon Lake School staff would like to prepare a Christmas dinner on December 14th for the students in our school, it's our way of saying Merry Christmas to them. We would like to invite the grade 6 students from Falun, Lakedell and Pipestone Schools to come and join us. Hospitality will be extended to the grade 6 students of Falun, Lakedell and Pipestone schools, with our grade 11 students sitting and eating there Christmas dinner together.

Due to health regulations, we cannot accept food donations. However, cash donations to help offset the cost of the turkeys, vegetables, etc. would be very much appreciated.

Please contact the school at 352-4916 or mail your donation to Pigeon Lake Regional School, Box 60, Falun, Alberta T0C 1H0. Any help that you can give would be most helpful.

Happy Holidays,

Darlene Parchewski, Dinner Co-ordinator.
Lorraine Thirsk, Home Economics Teacher
Shelley DeBruyne, Secretary
