App for PowerSchool: Everything is available on the App. Notifications will tell you if your student is late or absent

- vi. School Goals

Increase High School Completion with a focus on numeracy and literacy with both increasing by 5% on the provincial exams

[See document](#)

- vii. Student Attendance is Key to Completion

Student Attendance is Key to Completion:

Monitoring and talking with family

Keeping track of the student reasons for not being in class

Working with parents to help get the students into class

Average absenteeism rate is 20% per day

Anything below 80% attendance for a student over the year is poor and makes it difficult to succeed
