

September 12, 2025

Junior A Girls Volleyball-Coach Danica Heerspink and Laura Johannson

Practices-Wednesdays from 3-5 pm at Pigeon Lake

League Games-Thursdays (first game likely Sept 25, schedule to come)

Tournaments-Sept 20-Beaumont, Oct 3/4 Beaumont

It is the students responsibility to ensure that they have a ride home after practices and games. All games start between 4 and 4:30 pm. Games finish around 5:00-6:00 pm. There will be a bus that takes the players to away games and arrives back at the school. When leaving an away game destination it is up to your child to call you using their phone or the coaches phone to ensure their ride will be ready to pick them up back at the school. It is out of respect for our coaches that the rides are prompt since we like to get home after a long day as well and cannot leave until all players have been picked up.

On our plrs.ca website you can click on the athletics tab, then select volleyball, you will find a practice gym schedule, league schedule, tournament schedule etc.

Player Expectations:

- attend all practices, games, and tournament
- if you cannot make it you need to tell your coach early in the day
- if you simply do not show up and have not told your coach or called into the school, you run the chance of not playing the next game
- we are trying to teach responsibility and showing up consistently shows respect to your coach and teammates

*There is a fee to play volleyball. It will be accessible on your Power School account. Please stay tuned for this. It is an option to call the office and set up a payment plan if that works better for you.
