

It is Time to Order your 2015- 2016 Yearbook!

Dear Parents and Guardians,

Last years' memorial edition Yearbook is still available to purchase, but we only have 10 copies left. Please make sure you get your copy today be for they are gone.

For the 2015-2016 Yearbook, we have only 60 Yearbooks for this academic year and pre-ordering is your only way of guaranteeing your 2015-2016 Yearbook. Our Yearbook created by Pigeon Lake students and has captured all the academic, athletic and social milestones of this year. It is an incredible time capsule representing the student population in full color for the duration of the academic year.

Pre-order your Yearbook today.

Sincerely,
Nadine Kristjanson
